

Privacy Agreement

I understand that some basic personal information has been collected about myself and/or my child(ren) when I submit a waitlist application for care, an application to become an approved family day home provider, or contact the Agency through the contact us link. This information is used to establish and maintain a service to me and to meet legal and regulatory requirements as set forth by the Alberta Child & Family Services, and the Central Region Child & Family Services.

This information may be disclosed to someone who, in the Agency's reasonable judgment, is acting as my agent, in an emergency, or to an agent used to evaluate my creditworthiness or to collect my account including a credit-reporting agency.

This information is released on a confidential basis to be used only for the purpose it was disclosed. All records collected are subject to the provision of the Freedom of Information and Protection of Privacy, referred to as the "FOIPP" Act.
