

The Innisfail & Area Family Day Home Society honours the ancestral territories, meeting grounds, gathering places, and traveling routes of the Treaty 7 signatories, who have lived on and with this land since time immemorial, the Blackfoot confederacy of the Siksika, Kainai, and Piikani, as well as the Îethka (Stoney) Nakoda and Tsuut'ina nations. We respect that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis homeland. It is with appreciation for the land that our Society acknowledges all treaty people who make their homes on Treaty and Métis Territory.
